The cost of domain registration and management is EUR 60.00 per domain per year. The domain registration and management is automatically extended by a further 12 months unless it is terminated in writing no less than three months before the end of a contract year.

All our prices apply exclusively to industry, trade, crafts, commerce and public institutions. We do not accept orders from private customers. Subject to errors and technical changes. Our general terms and conditions apply exclusively. All prices are to be understood plus the German value-added tax (VAT), which is currently 19 %. The VAT will not be charged to companies from other EU countries if they do provide a valid VAT identification number on the order form. It will also not be charged to companies that are outside the European Union.

Invoicing begins after successful registration of your ordered domains. The invoice is sent in electronic form. The net balance of our invoices is due within 10 days after invoicing.

Please do not hesitate to ask us your questions before placing an order.
